

# STANDARD MP3 LICENSE AGREEMENT (BASIC LEASE)

**Licensors (Producers):** Mahsher

**Licensee (Customer):** The individual or entity named on the official purchase receipt

**Instrumental (Beat) Title:** The beat specified on the official purchase receipt

**Agreement Date:** Date of purchase

**Delivered Format:** High-Quality MP3 (Untagged)

This agreement governs the non-exclusive lease of the aforementioned instrumental (hereinafter referred to as the "Beat") by the Licensors to the Licensee, subject to specific terms and limitations.

## 1. USAGE RIGHTS AND LIMITATIONS

The Licensee is granted the right to record their vocal performance over the Beat to create a new derivative work and to distribute this work across digital platforms. The limitations under this license are as follows:

**Digital Streaming Limit:** The derivative work created using this Beat may accumulate a maximum total of 50,000 (Fifty Thousand) streams across all digital audio streaming platforms (Spotify, Apple Music, Deezer, etc.).

**Music Video Limit:** The Licensee is permitted to publish a maximum of 1 (One) music video (e.g., on YouTube) using this Beat, up to a maximum of 50,000 views.

**Live Performances:** Unlimited use is permitted for non-profit events. This license is not valid for for-profit (ticketed) concerts or live performances.

**Radio Broadcasting:** This license does not grant the right to broadcast the Beat on national or local radio stations (FM/AM).

*(Note: In the event these limits are exceeded, the Licensee is strictly obligated to upgrade their license to a higher tier, such as WAV or Trackout.)*

## 2. CREDITING AND ATTRIBUTION

The Licensee is required to explicitly credit the producer of the Beat on every platform where the derivative work is published (e.g., YouTube titles, Spotify credits, video descriptions).

**Mandatory Format:** Must be written as "Prod. By Mahsher" or "Music/Beat: Mahsher".

### **3. PROHIBITIONS AND COPYRIGHT SYSTEMS (CONTENT ID)**

The ownership and all copyrights of the Beat remain exclusively with the Licensor (Mahsher). This agreement constitutes a "limited lease," not a "sale."

The Licensee is **STRICTLY PROHIBITED** from registering their derivative work with YouTube Content ID, Facebook/Instagram Rights Manager, or any other digital audio fingerprinting systems.

In the event of a violation of this clause, as it infringes upon the rights of other licensees, the Licensor reserves the right to issue a takedown notice to remove the work from all platforms and to initiate legal action.

The Beat cannot be uploaded to any platform, resold, or shared in its standalone instrumental form.

### **4. AGREEMENT AND CONSENT**

By purchasing this license, the Licensee is deemed to have read, understood, and accepted all the terms and conditions outlined above. In the event of a breach of any terms, this license shall be unilaterally terminated.

**IMPORTANT NOTE:** This license agreement is a universal document. It is only legally binding when accompanied by a valid purchase receipt/invoice from authorized sales channels (Beatstars, Shopier, etc.). The individual or entity named on the receipt is legally recognized as the Licensee of this agreement.
